June 2017

Greetings!

Life Services currently has some new staff members. They are both doing a great job and we are blessed to have both of them. Lynn Parent is our new Client Services Director and has taken up her position as if she had been working with us for twenty years. She tells the story of working with a young client that was living under the bridge. She had arranged for her three children to be provided for by a Jacksonville police officer and his wife while she is homeless. Lynn and her staff went to work supporting and loving this dear lady. They performed a pregnancy test which turned out negative (Given her situation that is a blessing). She was referred to other agencies that could help her find employment, food and housing for her family. In this process she rededicated her life to Christ and we are continuing to follow up and support her. Way to go Lynn. Our new

Administrative Assistant is Lennette Deal who is not only working in the mobile but helping out in the office. Things are a little more orderly and run a little more smoothly with Lennette on staff. We have had several professions of faith since Lynn and Lennette came on board and work with clients on the mobile and in parenting class. Our Earn-While-You-Learn classes are growing and ministry is proceeding. Praise the Lord.

SHREDDING FUND RAISER

JUNE 24TH 9AM-12PM

Don't let your records fall into the wrong hands. Bring your outdated personal or business documents to Beaver Toyota for secure destruction.

**\$7/BOX
DONATION
PLEASE!**

A mobile shred truck from Ultra Shred Technologies will be on-site shredding documents - as a Fund Raiser for **Life Services**. *The process is unique:* The shreds are compressed into rectangular bales of 1,100lbs. A truckload of bales are then securely transported to the paper mill. The recycled material is then placed into tanks of hot water and bleach, added to break down the material into pulp. From this pulp state, paper towels & toilet paper are created.

Great News! We have received a grant from the Knights of Columbus to purchase a brand new Ultrasound Machine that will update and replace our old unit. Our new unit will arrive on Friday this week and will be installed and training accomplished in the very near future. We are greatly pleased that this priority need has been taken care of so well. May God bless the Knights of Columbus for their work and generosity as they partner with us here at Life Services.

You can support Life Services today and help provide a life-saving ultrasound. This ministry is a 501c3 non-profit organization supported entirely through donations and is completely tax deductible.
