August 2017

Greetings!

IT IS TIME TO SAY THANK YOU...

It is time to say a **BIG THANK YOU** for making a way for us to save lives through your prayers, volunteering, providing baby supplies for our baby boutique for new moms, as well as financial support. So here goes...

"On behalf of Life Services and EVERY mother and unborn baby that we have the opportunity to save, we say **THANK YOU!** No one but God knows the destiny of each child and each mother. Some times an abortion causes a mother to shut down emotionally arresting her ability to grow and move forward. We present her with the opportunity to grow and move forward through love, counseling, and by presenting the gospel of Jesus Christ whenever the door is given. We do not push. We wait for an invitation by listening carefully to the answers to their questions as well as direction from the Holy Spirit. We all know that Jesus Christ is the true life giver. By **YOUR** efforts, **YOU** help us to present that life giver to them.

FROM POSSIBLE DEATH TO THE HOPE OF LIFE

We had a young man call wanting to know if we do abortions. He said his girlfriend was pregnant and already had children and could not afford any more. Our heart is to get every mother considering an abortion on to our ICU Mobile so that they can see life through our gift of a free ultrasound. An appointment was made for the two of them to come on the mobile for an ultrasound. We prayed for God to intervene until we had the opportunity to speak into their lives. He called back about an hour later saying his girlfriend was choosing **LIFE** for her baby! Abortion was not her idea it was his idea. Did you know that 64% of women say that they felt pressured into their abortions? Praise the Lord for life! Praise the Lord for people like **YOU** who allows the ICU Mobile truck to go out into the community.

We had a precious woman come on our mobile determined to have an abortion. The unexpected had happened and she saw no other choice. You could see her hang her head in shame. She said she was a backslidden Christian and could not go back to her family unmarried and pregnant. By the time we finished sharing with her the love of Jesus for her and her baby her head had risen above the level of shame that she walked in. She rededicated her life to the Lord and marked on the evaluation form that her mind had been changed. Is this battle over? NO! We still consider her abortion vulnerable because of her lack of support from those around her. This is why we do follow up and have parenting classes. Abortion is legal up to the 23rd week in Florida and later than that in other states. We ask that you continue to pray for this young lady. She needs to choose LIFE. This is an actual story and it repeats over and over and over again on our mobile weekly. The names change and the situation varies slightly but the bottom line is we **HAVE TO BE THERE** and we are **THANKS TO YOU.**

This month alone we have seen a couple of young women come onto our ICU Mobile abortion minded and leave choosing life. But our job does not stop there. Abortions are legal through the 23rd week in Florida and later than that

in other states. Even though they may leave with a change of mind, they could still be abortion vulnerable. Therefore, we offer **PARENTING CLASSES (Tuesdays at 4 PM and 7 PM)** and follow up throughout their pregnancy. We have a free baby store that **YOU** help to stock so that we can meet their needs. Once again we say **THANK YOU!**

TIME TO STOP THIS MINDSET..

Margaret Sanger, founder of Planned Parenthood, said, "Birth control itself, often denounced as a violation of natural law, is nothing more or less than the facilitation of the process of weeding out the unfit, of preventing the birth of defectives or of those who will be defectives." **We have to stop this mindset** by offering the truth and **YOU** have helped us to make this possible one mother and one unborn baby at a time.

THANK YOU ONCE AGAIN FROM LIFE SERVICES STAFF!

SURRENDERING THE SECRET

Healing the Heartbreak of
ABORTION

PICKING UP
THE PIECES

BY PAT LAYTON

 LifeWay
Biblical Solutions for Life

Many women hide the secret of abortion in their hearts. This book is a powerful study that allows women to journey on a path toward freedom. It is an 8-session Learner Guide and Interactive Bible Study with meaningful group experiences and unique journaling exercises. Here at Life Services we want to bring this healing to women in St. John's County. We will be offering these classes beginning Thursday, September 7th through Thursday,

October 26th at 7 PM. Classes will be held at Ancient City Baptist Church, 27 Sevilla Road, St. Augustine, FL 32084. This is a free class and we welcome you and anyone that you would like to bring for support. Call our office if you have any questions and to sign up at 904-429-0159.

Great News! Thanks to the very generous gift from the Knights of Columbus, our new ultrasound has arrived. We have done over 30 ultrasounds already this year and this new equipment will simply make our sonographer's job easier and much more efficient. The clearer the picture the greater the opportunity for us to show new moms that this is LIFE. And don't worry about our 10 year old ultrasound, it is not "resting". We have loaned it to a pregnancy center in New Orleans who desperately needed one for this season. Lives are being saved and that is the vision of Life Services.

You can support Life Services today and help provide a life-saving ultrasound. This ministry is a 501c3 non-profit organization supported entirely through donations and is completely tax deductible.
