Greetings!

# Baby Botttle Campaign 2017

**Your participation in the 2017 Baby Bottle Campaign** will help provide free pregnancy tests, ultrasounds, peer counseling, education materials and Bibles. We need your help as we minister to those who are searching for hope and a solution to the crisis that an unplanned pregnancy often brings. This is a great oppportunity to help get baby bottles to those in your church, work place or community that want to be involved in a life-saving ministry. Simply collecting spare change can make a huge differance in the life of an unborn baby and her mom.

**Will you consider Mother's Day as a kick-off** and collect through Father's Day. If that doesn't work then let us know when we can schedule your campaign. Life Services will provide everything that you need to run this campaign. Please contact us at 904-429-0159 or [lifeservicesdirector@yahoo.com](mailto:lifeservicesdirector@yahoo.com) to schedule your campaign today. **Will you call today?**

### **Meet Dixie**

Dixie is one of our staff Ultrasound Technicians that works alongside our Client Advocate on board the mobile to help work with our clients as they search for hope to face the crisis of an unplanned pregnancy. Once a client is able to see and bond with their unborn baby through the technology of ultrasound they are much more likely to choose life and rejoice in the blessing that being a parent brings. Dixie is featured in our video that you can view on our Facebook page or at our website [www.elifeservices.org](http://www.elifeservices.org). The video was shown at our recent Fundraising Banquet at Crescent Beach Baptist Church March 23. Thank you Dixie for all that you do to serve women, support families and save babies at Life Services.

You can support Life Services today and help provide a life-saving ultrasound. This ministry is a 501c3 non-profit organization supported entirely through donations and is completely tax deductible.

**April Showers! Will you or your church host a baby shower for Life Services?**

We need diapers, clothing, furniture,

accessories, maternity clothing either new or gently used for our Baby Boutique. You can host the shower, collect the items and donate the items to young parents that have made the decision to Choose Life. These items are distributed in our Earn-While-You-Learn parenting class.
